George Mann

One at a Time

At times it felt like pulling teeth, one at a time. But somehow, the new songs came, and the old ones came together. Thanks to Marc Urselli for helping us capture the first six, and to Will Russell for everything you did to make this album whole. And thanks to all who care about this music and continue to help me spread it through the world. Time moves faster, and grows shorter. This is part of what I leave behind.
